HE LISTENS

Do you have a friend that really listens to you? One who remembers your favorite color or the names of your kids! The friend that on your birthday gives you the blouse you admired 6 months earlier. That's how personal our God is. He listens. How surprised we are when He blesses us with the desires of our heart. Just about the time we question if He hears us, God will give us that little reminder that he is listening. How amazing our God is to love and care for us that much. Look for your surprise this week as you make the motions of living life. Soak in the beautiful feeling that God really loves and care for you....YES YOU!
